

Tape this card to your refrigerator door!

(Revised October 25, 2004)

## THANK YOU

**Hi!** - Thank you again for the commitment you made to recycle upon signing the lease. Together, we are making a very significant difference.

## WHAT'S NEW!

1) PLEASE put the following items in the dumpster: They are some of the CONTAMINANTS!

- Aluminum foil, pie pans & baking pans
- Styrofoam egg cartons
- Frozen juice concentrate containers

2) Toilet paper rolls and paper towel rolls ARE recyclable. Put them in the "Rigid Paperboard" bin.

## RECYCLING

**Tape this card to your refrigerator door!**

# ORGANICS

# Household Hazardous Waste

**Step 1.** Line your new kitchen collector with a plastic shopping bag

**Step 1.** Read all labels and use common sense

**Step 2.** Put the following items in collector

- Meat & fish
- Coffee grinds, filters & tea bags
- Dairy products & egg shells
- Fruit & vegetable scrap
- Pasta, breads & cereals
- Household plants & soil
- Soiled paper towels & tissues
- Separately bagged kitty litter

**Step 2.** Carefully place the following items in collector under the mailboxes

- Batteries
- Cleaning products
- Aerosol cans
- Hobby chemicals, glues & cements
- Pesticides
- Paints & solvents
- Nail polish remover
- Fluorescent light bulbs

**Step 3.** When full remove bag and place in "ORGANICS" labeled curbside cart

**If have "sharps" you are required to use your own sharps collector.**
